

2025-2026 Competition Audition Results

Thank you to all our dancers who auditioned for our competition program last Tuesday and Wednesday. We had an amazing turnout, and we are beyond proud of all that auditioned!

If your dancer auditioned and was not placed on our competition program for this upcoming season, we strongly encourage them to continue dancing and return to audition for a future season. We see the most growth and development in our dancers that continue with a style of dance year after year, building on the foundations of technique and movement. Adding a ballet class is recommended for dancers to work on body alignment and technique that is helpful in jazz, lyrical and musical theatre dance.

When being considered for a team or company placement within our competition program, Dancers Ink takes into account the following:

- Respect and support for others
- Previous training and technique in relevant style
- Willingness to learn
- Practicing at home
- Class attendance
- Proven ability to implement constructive criticism
- Performance and execution (audition, recital and past competition seasons if applicable)
- Previous performances (recital and past competition seasons)
- Prior demonstration of progression/growth/development

Every dancer grows and advances on their own time and it is not uncommon for a dancer to remain at a level for 2-3 years. Some seasons, dancers may be the oldest and sometimes the youngest on the team.

2025 - 2026 season schedule:

The schedule will be available end of July, posted on BAND when it is available to view.

Competition class enrollment commitment: (team/company class counts as 1 class commitment as noted below)

- Team level = 2 class commitment (example: junior hip hop team class and jazz class)
- Jazz & Hip Hop Company level = 3 class commitment
- Musical Theatre, Lyrical and Production Company Level= 4 class commitment
 - Dancers must be a member of a jazz team/company to be offered a position and accept position on lyrical, musical theatre or production.

All jazz team and jazz company dancers MUST enroll in a ballet class for the 2025-2026 season and this meets 1 class commitment noted above. Ballet class placement will be provided on Band when schedule is posted for jazz team/company dancers.

Parents:

If this is the first year your dancer is a Competition Dancer, please join our Dancers Ink TEAM Band page which provides specific communication to our Competition parents/dancers.

Join Dancers Ink Team Band page <https://band.us/n/a3a204sbo1M2g>
