

2026-2027 Competition Audition Results

Thank you to all our dancers who auditioned for our competition program for this upcoming season. We are very proud of all that auditioned.

If your dancer auditioned and was not placed on our competition program for this upcoming season, I strongly encourage them to continue dancing and return to audition for a future season. We see the most growth and development in our dancers that continue with a style of dance year after year, building on the foundations of technique and movement. For those interested in jazz, lyrical and musical theatre, in addition to enrolling in that style class, adding a ballet class is strongly recommended for dancers to work on body alignment and technique as that is the foundation of movement.

When being considered for placement within our competition program, Dancers Ink takes into account the following:

- Performance quality at audition (recital/previous season's class and past competition seasons also taken into consideration if applicable)
- Execution of movement/technique at audition including timing and smoothness of transitions of movement
- Previous training and understanding of the technique at audition of the style
- Demonstration of progression/growth/development (if applicable as a previous dancer with us)
- Willingness to learn/etiquette (at audition & previous season's class)
- Class attendance from previous season (if applicable as a previous dancer with us)

Every dancer grows and advances on their own time and it is not uncommon for a dancer to remain at a level for several years. For some seasons, dancers may be the oldest and sometimes the youngest on the team.

Competition class enrollment commitment for 2026- 2027 season:

Jazz Teams & Jazz Company: 2 class commitment (jazz team or jazz company class and Ballet)

- Ballet class placement will be provided on Band when schedule is posted for Jazz Team/Company dancers.

Hip Hop Teams & Hip Hop Company: 2 class commitment (hip hop team or hip hop company class and 2nd class of choice)

Musical Theatre & Company Level: 3 class commitment

- Dancers must be a member of a jazz team/company to be offered a position and accept position on lyrical or musical theatre.

Tap Team & Tap Company: 2 class commitment (revised structure based on audition)

- Tap Team/Tap Company class and 2nd class of choice

2026-2027 class season schedule will be available by end of July, posted on BAND with registration information date.
